

SILVIA GALLART

b.1980

Visual Artist and graphic designer based in Zurich Switzerland

Artist Statement

“Everything is connected. As an artist, I pursue to find the gaps between low and high culture to discover and create deeper meanings. Based on my own life experience and being surrounded by historic and social events that intrigue and interest me I create unique and ageless art, that has different levels of lecture and interpretation. Coincidence, similarity, and synchronicity are concepts that are often shown in my work”.
